

# Curriculum Vitae

**Name:** Eichhorn

**First name:** Jürgen

**Title:** MD

**Born:** 17.09.1950

**School:** 1958 – 1961: *Elementary school*  
1961 – 1969: *High school*

**Military service:** 1969 – 1970: *Lieutenant of the Marines*

**Studies:** 1971 – 1974:  
*Business University Hagen*  
*Degree: diploma*  
1974 – 1980:  
*Medical University Bochum*  
*Degree: MD*

**Further medical education:** 1980 – 1981:  
*Trauma surgery – Hagen Hospital*  
1981 – 1982:  
*Sports clinic Hellersen*  
1982 – 1987:  
*Orthopaedic University Hospital Bochum*  
Since 1987:  
*Department of orthopaedics and sports traumatology*  
*St. Elisabeth Hospital Straubing*  
*Clinic St. Wolfgang, Bad Griesbach*

**Surgery:** About 600 reconstructions of the anterior cruciate ligament a year and about 1200 arthroscopic operations on knee, ankle joint and elbow

**Special topic:** Replacement of the anterior cruciate ligament

## Scientific Curriculum Vitae

1971 - 1974	Studies in business management
1975 - 1981	Studies in medicine
1981 - 1982	Surgeon at the city hospital for accident injuries in Hagen
1982 - 1987	Orthopaedic university hospital in Bochum
1985	5 months: guest doctor at the sports hospital Hellersen in Lüdenscheid
Since 1987	Senior consultant at the department for orthopaedics and arthroscopic surgery of the St. Elisabeth-Hospital in Straubing
Since 1983	Official adviser of the development of instruments for arthroscopy - Aesculap Comp., Tuttlingen
1983 - 1987	Lecturer in orthopaedics at the 'Academy for Orthopaedical Technics' in Dortmund
1985 - 1987	11 times senior consultant of the practical operative courses in arthroscopy at the university hospital in Bochum
Since 1987	Monthly: courses in arthroscopy for 4 surgeons in Straubing
Since 10/83	Teaching post for giving lectures on orthopaedics at the university hospital in Bochum
1984	Instructor for the additional title 'Sports Medicine' at the sports school in Hennef
